The mass of literature is overwhelming, and a systematic tool that organizes and evaluates it authoritatively like F1000Prime is just what we need.

Stan Falkow
Stanford University, Stanford, CA USA
Recipient of the Lasker-Koshland Special Achievement Award in Medical Science

“I must say that this is an enormously exciting service. It’s like having an entire auditorium full of the best people in the world all sitting in on your weekly journal club!”

David A. Galbraith
Royal Botanical Gardens, Hamilton, Canada

Get expert recommendations from 6000 leading scientists and clinical researchers

Never miss an important article in your field

View a personalized homepage that provides literature specific to your research interests

Use the F1000Journal Clubs tool to create, organize and share conclusions of your journal clubs
